Mount Elgin Spring Spectacular

Welcome

On behalf of the entire team at Mount Elgin Dairy Farms I would like to thank you for reading our catalogue and attending our sale. Over the past few years we have attended numerous shows across North America and engaged in an extensive ET program. Our focus has always been and will continue to be working with cows with great mammary systems from solid cow families.

In this catalogue you will find something for everyone, high genomics, polled, reds, deep pedigrees, colour breeds, individuals that can compete on local, regional and national levels. Truly something for everyone.

I am very confident this is one of the best live offerings of cattle assembled in some time and that these animals can thrive in any environment and prove to be a solid investment for their new owners.

I look forward to seeing you May 14th and 15th at the farm in Guelph!

Sincerely

Eric Salonen
