Autumn Opportunity

Tuesday, November 24, 2020 • 11:00 AM • Swisslane Farm, Alto, MI

Greetings and Welcome to the Autumn Opportunity Sale!

It is with great pride that we present the Autumn Opportunity Sale. We feel confident that breeders and commercial dairymen can make sound investments these cattle that will yield positive returns for many years.

We are offering the top genomic GTPI, NM\$ and DWP\$ females from our breeding program along with top pedigreed cows and bred heifers that could compliment any dairy operation in North America. It our belief that combining the most sought after maternal lines with best available sires will result in the greatest genetic progress.

We humbly extend this invitation to join us Tuesday, November 24th at 11 a.m. at Swisslane Farms or online at Cowbuyer.com for the Autumn Opportunity Sale.

It is important to note, that ALL of production records as well as classification scores were completed in the well-managed Swisslane Farms commercial freestall environment all while competing with over 2500 other cows. We feel that this is the true measure of PROFITABILITY-sound, healthy, fertile cows that make large quantities of high component milk efficiently.
