40th Anniversary Edition

JUNIPER
FARMS, INC.

54 Mayall Road, Gray, Maine

Ralph Gushee & Mike Wilson

Words can not describe what these two men have meant to us over the last 40 years. Both Father figures to us all, biggest cheerleaders and the backbone to this operation. We are truly forever in debt for all they taught us. They have stood by our side through the good, the bad, the great and the ugly. No truer of a friend than either one. Losing both within a year has been a major void, but I believe they're just thrilled with this lineup of animals.

Welcome

Welcome to the Juniper Farms 40th Anniversary and Monumental Success sale! My dad, Michael, started working as a young teen for Mike Wilson, of Wilsondale. With a love for purebred cattle, in 1981 the Juniper Farm Cattle Partnership was started, with their first purchase being Holtex Glendell Peggy for \$71,000. The love for high end dairy cows started then, and has never changed since!

Over the last 4 decades, we've been luck to be a part of some household names- Glendell Peggy, Conductor Peggy, Jewel, Jackie, Jed, Wok, Wish, Aspen, Aldi, Angel, Casey, and Chardonnay to name a few! The one constant, has been the new friendships and old friendships we have maintained amongst all of this.

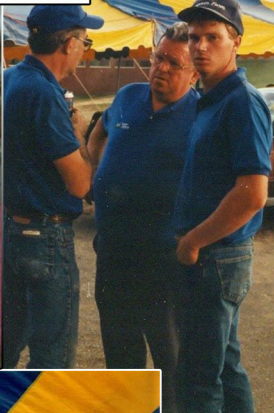

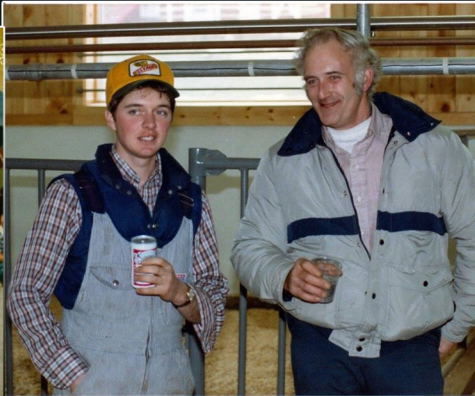

As you look through this catalog, you will see some of the hard work from our breeding program we have developed, as well as our consignors. Every animal in this sale has been hand selected by myself, Wags, or some of the best eyes in the business. We have put together a group of animals for everyone to be able to enjoy, and I believe some of these are just getting started with a big future!! Since I was a kid watching the National Convention take place here in 2005, I have always had the dream of hosting a live sale. So many people have had a hand in getting me to this point. Right, wrong, or indifferent, I am forever grateful for each and everyone of you. I hope you all enjoy this event, and are able to create a new legacy and memories from your time here and with your purchase!
